Subject: Beebe Draw Farms Authority; Job Postings

Hi Lisa,

Here is what I have done with the Pool Manager Posting for Pelican Ranch:

1. **Weld County RE-1** - Spoke with and emailed Bob Harr of Weld County RE-1. He assured me that he will place the ad at Valley High School and also give it to the swimming coaches.
   Bob Harr: harrb@weld-re1.k12.co.us

2. **Front Range Community College (Longmont)** – Received email confirmation from Mandy Clancy, the Director of Student Life, that she will print the ad and post it on three different boards throughout the school.
   Mandy Clancy; Amanda.clancy@frontrange.edu

3. **Frontier Academy** – The principal of the school emailed me back saying that have no posting boards to place any flyers on.

4. **Aims CC** – http://www.aims.edu/student/career/employers/postjob is the link to view the online ad placed in the Aims CC Student Job Bank. Will run until 3/25/14.

5. **UNC** – www.unco.edu/careers is the link to view the online ad placed in the UNC Student Job Bank. Will run until 3/25/14.

Please let me know if you need any more help on this. Thanks!
