DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

Disclosures of Potential Conflicts of Interest: The Board discussed the requirements pursuant to the Colorado Revised Statutes to disclose any potential conflicts of interest or potential breaches of fiduciary duty to the Board of Directors and to the Secretary of State.

Ms. Johnson noted that a quorum was present and requested members of the Board disclose any potential conflicts of interest with regard to any matters scheduled for discussion at this meeting, and incorporated for the record those applicable disclosures made by the Board members prior to this meeting in accordance with the statute. It was noted that Directors Hethcock and Knopinski's Disclosure Statements have been filed.

ADMINISTRATIVE MATTERS

Agenda: Ms. Johnson distributed for the Board's review and approval a proposed Agenda for the Authority's regular meeting.

Following discussion, upon motion duly made by President Knopinski, seconded by Director Hethcock and, upon vote, unanimously carried, the Agenda was approved as amended.

Appointment of Board Members to the Authority Board of Directors: The Board acknowledged the appointment of one Board member from Beebe Draw Farms Metropolitan District No. 1 ("District No. 1") to serve on the Authority Board. Linda Cox's term will run through June of 2017.

The Board also acknowledged the appointment of one Board member from Beebe Draw Farms Metropolitan District No. 2 ("District No. 2") to serve on the Authority Board. Paul "Joe" Knopinski's term will run through June of 2017.

Appointment of Officers: Following discussion, upon motion duly made by Director Hethcock, seconded by Director Cox and, upon vote, unanimously carried, the following slate of officers was appointed:

President	Paul "Joe" Knopinski
Vice President	Christine Hethcock
Treasurer	Glen Adkins
Secretary	Lisa A. Johnson
Assistant Secretary	Linda Cox

FIRST READING

Consider Sending Board Members to the 2015 SDA Conference: The Board received and discussed the request from Beebe Draw Farms Metropolitan District Nos. 1 and 2 to send board members to the 2015 Annual SDA

Conference in Keystone, Colorado on September 23, 24 and 25, 2015. District No. 1 has one board member interested in attending and District No. 2 has two board members interested in attending.

CONSENT AGENDA

Consent Agenda: The Board considered the following actions:

- Approve Minutes of the May 12, 2015 regular meeting.
- Ratify approval of the payment of claims through the period ending June 9, 2015 as follows:

General Fund:	\$ 20,876.69
Infrastructure Fund	\$ 2,401.61
Amenities Fund	\$ <u>15,023.30</u>
Total:	\$ <u>38,297.60</u>

- Approve unaudited financial statements through the period ending May 31, 2015.

Following discussion, upon motion duly made by Director Hethcock, seconded by Director Cox and, upon vote, unanimously carried, the Board approved the consent agenda.

PUBLIC COMMENTS

Public Comments: Angie Powell asked if the Authority has plans to re-paint the pool shed. Director Adkins responded that he would ask Mr. Moore and Mr. Colby to add to their list of projects.

Bill Caldwell had questions regarding the erosion of the new culvert constructed related to the infrastructure project for Lots 1-36. He feel that the Authority paid for the particular standard of work and that standard was not met. Director Hethcock explained the contract requirements have been completed and the erosion is due to the increased amount of precipitation in a short period of time. Environmental Designs will provide a proposal to correct the issue.

FINANCIAL MATTERS

Status of 2014 Audit: Ms. Mortimeyer reviewed the 2014 Audited Financial Statements.

Following review and discussion, upon motion duly made by Director Hethcock, seconded by Director Adkins and, upon vote, unanimously carried, the Board approved the 2014 Audited Financial Statements and authorized execution of the Representations Letter.

LEGAL MATTERS

Ground Lease Between the Authority and REI: The Board discussed the Ground Lease between the Authority and REI which is set to expire on December 31, 2015. Attorney Cortese informed the Board that the lease can automatically renew with an increase in the annual lease payment from \$2,500 per year to \$2,575 per year.

The Board acknowledged the automatic renewal of the lease with an increase in the annual fee from \$2,500 to \$2,575.

SECOND READING:

Term Sheet Related to Leases with Farmers Reservoir and Irrigation Company ("FRICO"): The Board discussed the status of the FRICO term sheet. Ms. Hethcock will work with Mr. Bowman (Duck Club) to map out the hunting area as well as the entire leased area with FRICO. The Board determined not to proceed with Tamarack mapping the area at this point. It was mentioned that FRICO is "shopping" the lease. Ms. Cortese will forward the term sheet to FRICO upon receipt of the maps from Director Hethcock.

OPERATIONS AND MAINTENANCE

Action Items Status: The Board reviewed the action items status matrix, which is attached hereto and incorporated herein by this reference.

Presentation By Steve Lundt, Water Specialist Regarding Water Quality at Milton Reservoir: Steve Lundt with Metro Wastewater Reclamation District gave a presentation on the water quality on Milton Lake. A copy of the information is attached hereto and incorporated herein.

Michelle Seubert with Barr Lake State Park presented information regarding Barr Lake and other activities within the 42 State Parks.

Amy Conklin with Barr Milton Watershed Association presented information on the issues facing the Association.

Pool Manager's Report: The Board reviewed the June Pool Manager's Report which is attached hereto and incorporated herein.

Proposal from Empire Management Inc. for Project Management Services related to 2015 Chip Sealant Project: The Board reviewed the proposal from Empire Management Inc. for Project Manager services related to the 2015 Chip Sealant Project.

Following discussion, upon motion duly made by Director Adkins, seconded by Director Cox and, upon vote, unanimously carried, the Board approved the proposal from Empire Management Inc. for Project Management Services

related to the 2015 Chip Sealant Project in an amount not to exceed \$5,280. Ms. Johnson will draft a service agreement and route for execution.

SECOND READING:

RV Storage Facility Improvements: The committee continues to gather costs to improve the RV Storage Facility. They will present the final estimated costs at the July meeting.

Hunting on Northern Portion of Milton Reservoir: The Board discussed the status of the potential for hunting on the northern most portion of Milton Reservoir. The additional two (2) hunters discussed have been added to the total number of hunters allowed in the proposed FRICO Term Sheet. The Board discussed the selection method to determine the two (2) additional hunters. The Board will need to work with Barry Bowman as to how to coordinate and implement the selection for the two (2) hunters

CAPITAL AMENITIES

Status of New Maintenance Facility:

Status of the Acquisition of Lot 153: Attorney Cortese updated the Board that she received a proposal from Harold McCloud to appraise the property in the amount of \$2500. Director Hethcock will provide Attorney Cortese names of other appraisers in the area in the hopes of reducing the fee.

Status of Project: Ms. Deitman updated the Board on the progress made on the new maintenance facility project. She is 50% complete with architectural plans. Ms. Deitman has a meeting set up for the week of June 15th with entry modelers regarding technical issues. It is possible Ms. Deitman will move forward with a wooden frame as opposed to the previously considered metal frame. If a wooden frame is selected, it will alleviate the need for the “design-build” bidding process and the Authority can proceed under the standard public bidding process. She also plans to meet with Weld County to review the requirements needed to move through the approval process.

INFRASTRUCTURE

Development of the Front 36 Lots and Associated Infrastructure:

Status of Lots 1-36: Director Hethcock explained the contract requirements have been completed. Erosion of the new culvert is due to the increased amount of precipitation in a short period of time. Environmental Designs will provide a proposal to correct the issue.

Director Hethcock also reported on the positive reaction to the homebuilder, Baessler Homes and the current sales of certain lots.

SECOND READING:

Paving of Lots 153-158 and 168-175: Director Hethcock discussed the request from REI to pave Lots 153-158 and 168-175, Stonely Road South. All utilities are in place. The Board directed Director Hethcock to get bids for the work.

OTHER BUSINESS

Two Horizontal Well Pads: Director Hethcock updated the Board that Encana has asked to schedule a meeting to discuss the status of two horizontal well pads to be located at the north end of the subdivision. She will notify the Board when the meeting is schedule and all Board members are encouraged to attend.

Resident Request to place a For Sale Sign on County Road 39: Ms. Johnson informed the Board that she received a request from a resident asking to place a Home For Sale sign on Country Road 39.

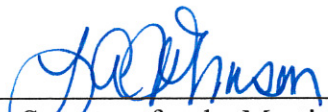

The Board discussed the request and determined not to approve the request as this posting is not allowed by the Covenants.

Security Concern at Lake Christina: Ms. Johnson and Mr. Tabor were contacted by the Weld County Sheriff's Department regarding a "Twitter Feed" promoting a teenage party at Lake Christina for Saturday night, June 13th. The Sheriff explained it was anticipated that there could be up to 300 people attending. The Sheriff's Department is on alert and will respond should they be called to come to the Lake. Director Hethcock explained that there is a non-resident fee to access the Lake (\$450). No reservation requests/inquiries had been received by the Board for this party. Mr. Moore will change the lock on the gate to Lake Christina and post signs on the gate and at the mail room regarding access limitations to the Lake. In addition, an email will be sent to the community regarding the Twitter feed announcement. Ms. Johnson and Ms. Cortese explained to the Board the need for policies and procedures for the Lake. The Board will discuss forming a committee to work on rules and regulations at the July meeting.

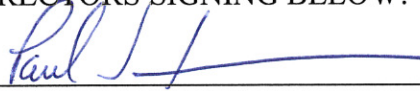

ADJOURNMENT

There being no further business to come before the Board at this time, upon motion duly made, seconded, and upon vote, unanimously carried, the meeting was adjourned.

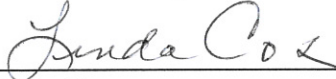

Respectfully submitted,

By 
Secretary for the Meeting

Milton Reservoir Water Quality Report

June 9, 2015

Water Summary

Milton Reservoir (aka Pelican Lake) is sampled twice a month between March and October and monthly between November and February. The Barr Lake and Milton Reservoir Watershed Association coordinates all of the efforts to monitor, test, and improve the water quality in Milton. Regular lake sampling started in 2002 and will continue into the future. It is important to closely monitor water quality to observe any major changes that would impact wildlife, park users, or downstream water users.

June – Milton's clarity continues to be amazingly clear. Water clarity has been greater than 12 feet since early April. With the aesthetically pleasing looks, the water quality that you can't see like pH, dissolved oxygen, and nutrients are also doing well. A couple of reasons for this recent improvement is because of wastewater treatment improvements in the Big Dry Creek watershed, all the carp were removed in 2009, and zooplankton continue to do a great job of grazing on the algae and keeping them under control. Phosphorus still is high but is getting better over time.

Water Quality Stats (as of 06-09-15)

Maximum Depth: 26.2 feet (dam outlet) Water Temperature: 72° F (taken 3 feet below surface)

Water Clarity: 15.1 feet (≥3 feet is good) Dissolved Oxygen: 135% (>80% is good)

pH: 8.56 (between 6 and 9 is good) Chlorophyll-a: <5 ppb (How green, ≤25 is good)

When in doubt, stay out.

Algae blooms that float to the surface and concentrate near shore can be harmful. Avoid contact and do not let your dog swim or drink the water.

Watershed News

Lake Appreciation Month is July and again we will be planning great events and opportunities out at Barr Lake. This year's big event will be Saturday, July 11th. Come out to do some fun shoreline clean-up work, have a free lunch, and then enjoy an afternoon of fun activities. Barr Lake works hard for you. It is time to show some appreciation!

Pool Manager's Report for June 2015

The pool opening was rather a rough one this year, but people have been coming in with smiles since knowing its open. Starting with the tiles having damage from not being the proper tiles, pipes being busted, the pool back flush being busted, and now the computer being corrupted and not being able to activate pool membership keys. The computer guy will be out hopefully Monday or Tuesday to give me back the computer with a whole new program on it. Ted from Peak One was out this week and put in the new ladders and will come again on Tuesday to put in the new hand rail. I still have a smile even though people are upset about the key cards not working and it not quite opening on time.

I have hired a wonderful staff this year that includes 4 girls that came back from last year and 2 new girls. I think this year's staff will work out great. I have about 15 people that have paid for their memberships, which includes one out of district so far.

Let's see what this year brings us and just have a great summer!
